

PRODUCT DESCRIPTION

BrightLine smart light box displays feature swift tool-free installation, durable light-weight frames, embedded LEDs, and exclusive One Planet recycled fabrics with impressive vivid graphics, all conveniently organized in a heavy-duty shipping case. Panel D is sized for versatile applications, as a stand-alone banner or combined to create popular 10 foot and 20ft exhibits.

Mix-and-match with other BrightLine panels, or combine with WaveLine and SharpLine displays, to create unique branded environments. TV mounts and counters complete an enhanced experience to really make brands stand out.

KEY FEATURES

- Easy tool free assembly
- Lightweight portable construction
- Magnetic power links
- LED lights encapsulated in frame
- Heavy duty shipping case, molded foam inserts
- Single- or double-sided
- Vibrant graphics on recycled fabric
